Winner of the City-Profi 2014 Belgorod competition • Two projects finalist of RIF Voronezh 2014 contest • Participant of the winning team of the Urban.tech hackathon 2018 • Participant of the hackathon at RIF 2018 and 2019 Moscow • Successful product launch at ZooHackathon 2019 hackathon • Member of the team of organisers and participants of TedX St.Petersburg 2021 • Worked on projects of X5 Retail, WWF, Leica, Hexagon • Certified 1C Bitrix and WordPress Developer • Additional qualification in the field of innovation project management

Additionally

I am interested in working as part of a marketing team that is responsible for implementing Digital marketing strategies. I have extensive experience in product development, launch and promotion. One of the key areas is hypothesis testing and launching MVP products for market analysis. I know how to work with a team and manage it. Ready to move and take on new challenges.
